

# How to use Wascomat Commercial Washers

1

Empty all clothing pockets and load washer.

2

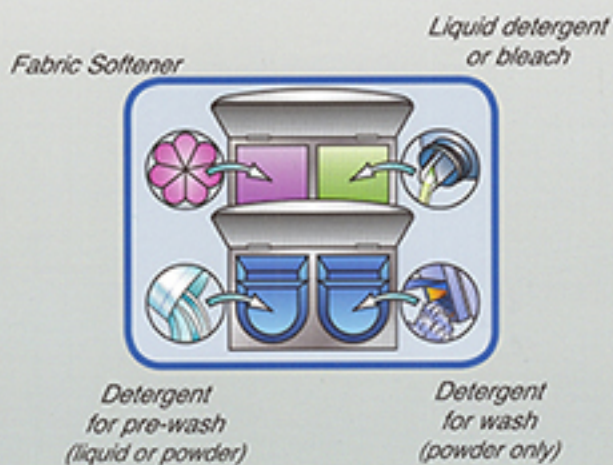

Close and lock door.

3

Add powder or liquids.

Use half the usual amount in our washers.  
1/4 cup to 1/2 cup detergent is enough.

4

Turn knob to select wash cycle.

Push buttons **1** and/or **2** for wash options. Price is on display.

5

Insert coins. Washer will start immediately.
